

High Fives!

For those who go the extra mile!

I would like to give a high five to Kevin Wiesmann – Parks Department. Thanks for meeting the City of Madison on Saturday to help them get sandbags from the Park Shop. When I asked him – he did not hesitate – I greatly appreciated the help. *Donna Haugom*

I would like to thank my co-workers Gerry Kokkonen, Kathy Hart and Oral Rowland for all of their help on the Farm Drain Project. I know we still have a ways to go but I appreciate all of the work done on the project. It wouldn't have been completed without you. THANKS A BUNCH!!!! *Tracy Saxby*

The Jefferson County WIC staff recently (during National Breast Feeding Week in August) were honored with the Fold Loving Support Award of Excellence 2018 from the US Department of Agriculture, Food and Nutrition Services (USDA). Nationally 78 awards were given. Jefferson WIC was 1 of 3 Wisconsin projects to receive the award. Congratulations Mary Wollett, Jennifer Gaal, Vicki Gallardo and Patty Pohlman. *Diane Nelson*

On August 8th, the public health nurses and WIC dietitians, in conjunction with United Health Care, threw a baby shower for our pregnant and recently delivered moms. Thank you ladies for your hard work and compassionate care. There were many positive comments from the moms appreciating what you did for them. Way to put on of our Strategic Planning values in action! *Diane Nelson*

I would like to send a HUGE High Five to Donna Miller, Marc DeVries, Audrey McGraw and any other person in the Finance/County Clerk office that helped get out the Fair Park premium checks. It was definitely frustrating and a real lesson learned. Without your help, it would have taken even longer than it did to get done. *Renee Busshardt*

A big THANK YOU to Brian Nesthus, Lisa Schlesner, Tammie Jaeger and Casey Radtke for helping put together all of the meals for the Highway Workers that could not make it to the Employee Appreciation Lunch. It was greatly appreciated by all of them!!! *Thanks, Highway Department*

I would like to give a High Five to JR Klement in the Park's department. Earlier this summer JR helped me by operating a quad track on over 12 acres of land and clearing out vegetation. This allowed for a more timely and safe evaluation of a reclaimed of a gravel pit. He also assisted with plant interpretation and record keeping.

Thanks JR! *Gerry Kokkonen*
